2 It is reported that there are no objections received so far to the byelaws proposed, and the municipal Council have finally approved of the same

Returned with the observation that in
 the English copy of the proposed bylaws, there
 are some other bylaws also included, which
 is confusing. A neat manuscript copy of
 the same may be submitted in duplicate

In clause I of the proposed bylaws there
 seems to be some mistake, section 67 being
 repeated probably for section 66.
 This may be corrected
